8.Water Supply schemes- PHE deptt.	Non functioning of the VHNSC Nos. of Water Tanks sanction= 4 Nos.	The Gram Sabha have decided to hold a separate meeting of the same to reconstitute the VHNSC. The Panel recommended that the formation of VHNSC should be at the earliest. The Panel recommended
	Nos. of Water Taps platform sanctioned = 7 Nos. Nos. of Water Tanks constructed = 3 Nos. Nos. of Water Taps platform constructed = 6 Nos. 1.The Community were not aware of the scheme in the Village. 2. The PHE department responded that the scheme is for both the Khanapara & the adjacent Paham Kancho Village and at the present the department did not receive any more community land hence the works could not be completed. 2. The Secretary of the Village have decided to donate His land for the constructed of the water tank and the water tap.	that the there has been a delayed in the completion of the scheme as the same have been sanctioned since the year 2008, hence the implementation work should be taken up by the Village and the PHE department for verification and inspections and measurements of the land to be donated by the Secretary.
	The water tank and water taps are not functional. There is no supply of water in the water tanks, hence the water taps too are not functional. 1. The PHE department responded that there is shortage of voltage and the same have been communicated to the Power department, once the matter have been cleared from the Power department, water will be available in the village 2. The Community response that there is shortage of power & voltage in the village which have affect the village.	The Panel recommended that the department concern i.e, the PHE & Power department along with the Village should take up the matter seriously and complete the project.

- 10. Based on the social audit findings, please list down **policy level suggestions** that you would like be incorporated in the implementation of schemes that were audited
 - 1. Schemes should be implemented as per guidelines
 - (a) MDM- Nos. of beneficiaries sanctioned vs implementation.
 - (b) PDS- The delivery of items at the government approved rates with no price charge at the dealer level.
 - (c) ICDS- Provision of Anganwadi Facilities including area/space for house construction as per norm should also include purchase of land in villages where community own no land
 - (d) Heath Services rendered should be access to the communities and the villages.
 - (e) PMAY-G- Convergence of schemes is needed for provision of Housing to the poor and the eligible in all the villages.
 - (f) NSAP- NSAP should cover all beneficiaries in the villages.
 - (g) CM Pension Scheme- should cover all eligible beneficiaries in the villages. It should be ensure that the NSAP & the CM Pension scheme should not overlap to ensure that all beneficiaries are covered.
 - (h) PHE- Schemes of water supply and services is very much essential in all villages as water is the prime basic amenities.
 - (i) Others- The Power department should look into other aspects of services rendered by the department in all villages excluding whether schemes are implemented or not in these villages.
- 11.Based on the pilot social audit, please list down the **changes** that you would like be made to the **social audit protocol** that was followed in the pilot and to the **formats** that were used.
 - 1) Officer/Officer's deputed for the Public Hearing should be those having power of authority.
 - 2) All hearing decision/recommendations should be time line.
 - 3) Schedule should have more days depending on the nos. of schemes implemented in the villages/ scheme to be audited/nos. of beneficiaries / population in the villages.
