Subject:

Making Social Audit effective - Creating a Community Cadre of

Village Resource Persons from among women Self Help Groups

members

Dear Chief Secretary,

As you are aware, Social Audit is a mandate under the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA). Approval of Government has been taken for Social Audit under Pradhan Mantri Awaas Yojana - Gramin (PMAY-G), programmes of Ministry of Panchayati Raj, and some other Departments of Government. The only programme where an autonomous structure has been envisaged and set up in most States is MGNREGA. The same structure is being used for Social Audit of all other programmes as well. The experience of the previous years in MGNREGA has indicated that the current practice is inadequate to carry out Social Audit effectively.

- 2. The Ministry of Rural Development has examined the issue carefully and would like to do the following 3 things at the earliest in partnership with States: -
 - (i) Develop a Community Cadre of Village Resource Persons (VRPs) from among women Self Help Group (SHG) members and NIRD&PR & TISS will prepare a 3 day training manual for these VRPs. The training will be imparted by the States in accordance with the training manual so prepared.
 - (ii) Complete the orientation of Block, District and State level Resource Persons engaged in Social Audit based on the Training Handbook developed by NIRD & PR and TISS, Mumbai.
 - (iii) Adopt the detailed Auditing Standards developed by Joint Task Force set up in consultation with the Controller & Auditor General of India. The Ministry has examined the Task Force Reports and after due consultation has accepted the suggestions. A O.M on the same is attached for your perusal.

- The 3 specific points made above will institutionalise the system of Social Audit meaningfully and in a positive way leading to stoppage of leakages in a range of village level development initiatives.
- 4. A Community Cadre of Social Auditors drawn from women members of SHGs will be a very effective community accountability framework. States may also consider women SHG members as Block, District and State Resource Persons not as employees of Government but purely as a Community Cadre that is paid on the basis of work done. We look forward for your response in this regard.

with best wishes,

Yours sincerely,

[Amarjeet Sinha]
